

**Graduate Composition 562**  
FORM #2

**Site Specific Rules of Engagement: Dancers**

Date:

I understand that I have agreed to participate in a site specific performance project at the Department of Dance, University of Illinois, which will occur at \_\_\_\_\_ . I agree to take all precautions to prepare myself for the rehearsals and performances at this site, which may or may not include specific conditioning, and/or wearing proper clothes or safety equipment. If at anytime I feel that I am in physical danger, I have the right to communicate my concerns with the choreographer and/or the Head of the Department without ramifications to my grade. If I refuse to work on the project I have the right to withdraw from the course, and this will not affect on my progress as a major in the department.
